

Consonant Buddies

This passage is for practicing consonants.

The **stupid zebra** and **dumb tiger** are brought before **Judge Cherry**, the **Kangaroo**. The **good judge** is **busy**, eating his **favorite peanut butter sandwich**. He really loves his sandwiches. He also really loves his favorite zealously zhuzhed shirt sleeves and funky vest. The stupid zebra and dumb tiger pause when they see the shirt sleeves, and cry aloud, "That's thin"! Judge Cherry tells them to "shush" and take themselves back outside!
